The Villa Suites

Offering forty-one magnificently well-appointed private villas, Malisa Villa Suites showcase a harmonious blend of contemporary spaces embellished in five distinctive ancient Thai architectural styles from the historic Ayudhaya period, to the Sukhothai, Tavaravadee, Lanna and the Srivijaya periods. All, a dazzling visual experience.

Unobtrusive simplicity unleashes the inherent vibrancy of the surroundings at Malisa Villa Suites that strips away all excess, allowing you to focus your senses on the essences of luxurious textures and contemporary tones.

A sense of sheltered openness prevails in the villas as every room, particularly the master bedroom, opens inward to the central swimming pool, surrounded by towering wall of cascading waterfall to ensure the utmost seclusion. Share intimate moments together in your private swimming pool, silhouetted by the shimmering reflections of poolside candles.

Rejuvenate your spirits by relaxing at your indoor or outdoor Jacuzzi, or perhaps enjoy the brisk stimulation of an open-air shower.

Attentive services call for a romantic candle-light rendezvous arranged by our personal chef who magically transforms the freshest local seafood and delectable native fruits into a chic dinner for two. At any time.
